ALFAB Windows and Doors
109b Maurice Road MURRAY BRIDGE

Introduction

ALFAB Windows and Doors has been a family owned business specialising in all forms of aluminium windows, Doors, security screens, shower screens, roller doors and roller shutters in both residential and commercial applications throughout South Australia.

The company began operation in 1987, to where we find ourselves today, a highly successful business employing a total of 7 staff. All staff are professional, fully qualified holding or working towards the highest qualification attainable in glazing and powder coating.

At ALFAB Windows and Doors, we pride ourselves on our reliability, and on being a high-quality aluminium window and door fabricator. Our reputation as a local manufacturer, alongside our personalised service and quality products has been a feature of our success.

ALFAB has been operating for over 30 years and have serviced Murray Lands and Mallee, Adelaide Hills, Southern Fleurieu, as well as Adelaide and surrounding suburbs. Due to our extensive experience and expertise in the industry, all of our staff members are able to assist in solutions for your aluminium window and door combinations.

When dealing with ALFAB Windows and Doors, you can always count on a professional, reliable service.

ALFAB Windows & Doors is a licensed manufacturer of Bradnam's Windows & Doors

Occupational Health & Safety

We have in place strictly compliant Occupational Health and Safety Policies and Procedures that are implemented at all times at every site. The safety of our workers is of high importance and our procedures represent a significant investment by the company for our goal of lost time and injuries and we manage to achieve this successfully and consistently.

ALFAB Windows and Doors has in place policies and procedures, consultation, training and inductions, risk identification, assessment and control. We promote, maintain and improve WHS programmes by regularly reviewing our policies and procedures with the aim of continual improvement.

Environment Management System

ALFAB Manufacturing is committed to:

- Maintaining or enhancing the services or product provided to customers while simultaneously minimizing our resource use and operating costs.
- Achieving compatibility between economic development and the maintenance of the environment ensuring that proper consideration is given to the care of the flora, fauna, air, land, water and the community, which may be affected by our activities.
- Ensuring that we comply with local and state government legislation pertaining to the operation of the business and, in addition to Government legislation and guidelines relating to the impact of the business on the surrounding environment.
- Limiting the impact that the business has on the surrounding environment through the sound and careful management of its activities.
- ALFAB Manufacturing acknowledges the benefits of environmental management and undertakes to fulfil its legal and community duty, by taking all reasonable and practical measures to prevent or minimise harm to the environment.
- All employees, contractors and visitors are directed to act likewise by exercising due diligence toward the environment in all their activities.
- To fulfil this commitment ALFAB Manufacturing will observe all environmental laws and promote environmental awareness among all staff to increase an understanding of environmental matters.
